Dear Parent/Guardian(s):

As you know, Regents/Finals Week begins on June 13th. Our teachers are providing additional support to prepare students for the NYS Regents exams **directly before** each exam. Each review session will be 90 minutes. We strongly recommend your child attend Regents Review sessions when they are offered.

- On June 13th, 14th, and 15th we will **provide pizza** ONLY for students who attend and complete the Regents review sessions which will run from 10:30 – 12:00. These sessions are for **Living Environment, Algebra I, and Earth Science**.
- On June 16th and June 20th we will provide breakfast for students who attend the **Geometry and Chemistry** review sessions.
- Students **MUST pre-register** by signing the permission slip below, and turning it in to their Regents teacher by **June 2nd**. This pre-registration is necessary to order the appropriate amount of food for students.

Students will be expected to follow all school rules during the Regents reviews. Our students deserve the best possible learning environment for these very important review sessions. There will be **zero tolerance for any disruption** to the learning environment during these review sessions. If any student chooses to disrupt the learning environment, his/her parent will be notified, and the student will be removed from school grounds, and will not be able to return to the building until the start of the Regents exam at 12:15. If you have any questions, please call.

Sincerely,
Ed Plaia, Principal
