Mr. Edward Plaia
Principal
631-565-6200

April 2018

Dear Parents/Guardians,

Please accept this letter as an invitation for you and your child to our Science Fair, and Miles Pride Showcase. It will be taking place on April 19, 2018 in the **Edmund W. Miles Middle School cafeteria.** The event will take place from 6:30 p.m. to 7:30 p.m.

Your child's 7th grade orientation for the next school year is scheduled for the end of May. However, prior to that we would like to expose your children to some of the exciting science projects that are going on at the Middle School.

We will also have several coaches and club advisors here, so you and your child can be introduced to the many after school activities we offer at the Middle School. This event is an excellent opportunity to meet teachers, coaches, club advisors, the administrative team, and students.

We are excited to connect with you and your child, so that we can support the needs and goals of all of our learners. Please be sure to bring a valid I.D, and be prepared to sign in at the front desk.

We are looking forward to meeting you.

Sincerely,

Ed Plaia
Principal
